

Registration for the 2026 BEAM/APWA Golf Outing is Now Open!

There will be a basket raffle, large prize raffle, and great on-course prizes. This year, we're changing things up a bit by offering *Closest to the Line* instead of *Longest Drive*—just to try something different and keep it fun!

New This Year – Online Registration

Golf and sponsorship registration will now be completed online through the BEAM website: <https://www.beambuffalo.org/golf>

You may pay by check (mailing information is available on the site), or you can conveniently pay online. Credit card fees have been included in the posted credit card pricing. Check payments will not include those fees. Both pricing options are clearly listed on the registration form.
