

Monthly Newsletter

SPRING 2026

APWA CNY Branch Updates:

Spring is in the air and we want to thank everyone who joined us for our Annual Awards banquet at SKY Armory over the Winter! We had a very successful event and have already locked in the same location for next year's awards banquet!

We truly appreciate the support from all participants and sponsors who make the banquet possible!

Looking ahead, our May event will be held at the new Harborview Aquarium at the Inner Harbor in Syracuse on May 27th. We're excited to offer a tour of the construction in collaboration with ACEC. After the tour, there will be a social meetup at nearby Meir's Creek Inner Harbor. We hope you're able to join us!

Our Annual Scholarship Golf Tournament will be held on July 13th at Beaver Meadows in Phoenix, NY. Registration forms and event info can be found in this newsletter! Get your teams in to reserve your spot for a fun day of golf and networking!

We are looking for project tours for our 2026 meeting schedule. If you have a project that has recently concluded, this is a great opportunity to show off your hard

show off your hard work. Please reach out to cnyapwa@gmail.com to get your tour on the schedule.

Please take some time to fill out the 2026 CNY APWA Election Ballot and return to cnyapwa@gmail.com.

We would like to remind everyone that our newsletter each month features a "Sponsor Spotlight". If you choose to sponsor, your company will receive a full-page ad in a future newsletter. The sponsorship application can be found in this newsletter.

If you or someone you know is looking for employment opportunities in or related to public works, check out our "local employment opportunities" section.

We hope to see everyone at the Aquarium tour! Keep an eye out for additional event announcements later this Spring!

Name: _____	Email: _____
Name: _____	Email: _____

PLEASE EMAIL BALLOT TO THE CENTRAL BRANCH SECRETARY BY MAY 20TH TO:

Email Ballots To: cnyapwa@gmail.com

Request for 2026 PROJECT TOURS

CNY APWA is currently looking for meeting ideas and opportunities to tour recently completed construction projects in our region. If you or your organization have wrapped up a project—large or small—or are involved in interesting day-to-day operations that showcase innovation, engineering, or public works in action, we'd love to set up a tour!

Great candidates could include park improvements, infrastructure upgrades, facility tours, or even unique routine operations. In the past, we've visited parks, toured trails, participated in lock pump-outs along the Erie Canal, and more.

If you have a tour that you think would be a good fit for our needs, please reach out to cnyapwa@gmail.com to get your tour on our 2026 meeting schedule!

CENTRAL BRANCH
